

CONDITIONS OF SALE - STANDARD Q COVID-19 Ag Test (SARS Cov-2 Rapid Antigen Test)

1. Authorisation has been granted by the South African Health Products Regulatory Authority (SAHPRA), in terms of Section 21 of the Medicines and Related Substances Act 101 of 1965 (“the Act”), to Roche Diagnostics (Pty) Ltd (“Roche”), to sell the STANDARD Q COVID-19 Ag Test (SARS Cov-2 Rapid Antigen Test) (“Test”), subject to the conditions being met.
2. To ensure that the conditions imposed by SAHPRA are met by Roche, as set out in the authorisation, fulfillment of such conditions are required to be passed onto our customers wishing to purchase such Test, to ensure adherence thereto.
3. In light of the above, by signing this condition of sale you _____ - _____ **(insert registered company name)** being the customer, hereby acknowledge the conditions of purchase set out below (“Conditions”) and hereby undertake to fulfill the requirements of the Conditions:
 - 3.1. To record and report each Test used for testing, to the National Health Laboratory Service (NHLS) through the approved platform defined by the NHLS, as set out below, or as may be communicated by the NHLS:
 - 3.1.1. All results, positive and negative, must be reported to the NHLS via the NHLS Covid Screening Application (CSA) portal which can be found on the CSA landing page by accessing the following link: <https://csa.nhls.ac.za/>
 - 3.1.2. Private laboratory-based SARS-CoV-2 Antigen and Antibody reporting:
 - 3.1.2.1. Laboratories are to accurately record the results of each test and provide this information to the NHLS via web service only.
 - 3.1.3. Non-laboratory based SARS-CoV-2 Rapid Antigen and Antibody reporting (i.e., point-of-care tests at pharmacies or at facilities):
 - 3.1.3.1. Tests performed outside of laboratories must be reported via the NHLS CSA portal
 - 3.2. COVID-19 antigen test kits are for professional use only. Therefore the Tests must only be sold and distributed to outlets where this condition can be adhered to.
 - 3.3. To report any adverse event, Test problem or suspected falsified Test to Roche using the following email address: Randburg.rqcsupport@roche.com.
 - 3.4. To sell and distribute the Test only within the Republic of South Africa.
4. Roche reserves the right, in its sole discretion, to temporarily or permanently discontinue marketing and selling the Test.

This condition of sale is hereby acknowledged and agreed:
